

# WATER FEST GLOBE ART DECORATING CONTEST

*Only **20** World Globes are available.  
Don't miss out; reserve yours today!*

The City of Stuart is pleased to offer a contest for teachers and students that artfully depicts the “Value of Water” theme on a desktop model of Earth. Decorate the world globe with paint, clay, or other materials to illustrate your chosen water conservation and/or environmental message.

## Contest Guidelines:

- 1) Limit of one globe issued per school for entry.
- 2) A globe kit will be delivered to your school by the city staff.
- 3) Decorate the model by using acrylic paint, clay, or any other safe-to-handle materials of your choice to illustrate your water conservation and/or environmental message.
- 4) Globes must be delivered to City of Stuart Utilities Customer Service Department, Annex Building, at 101 SW Flagler Ave, Downtown Stuart, no later than 5 pm March 23, 2022.
- 5) Each school's name is NOT to be visible on the globe but should be identified on the bottom of the stand.
- 6) Participating globes will be judged, and the winners announced at WATER FEST Water & Environmental festival on March 26, 2022, 10 am – 2 pm in Memorial Park.
- 7) First, second, and third-place **prizes** of \$100, \$75, and \$50!
- 8) Globes are returned to participating schools for campus use.
