Stuart, FL – Beginning Wednesday, July 5th, the Florida Department of Transportation (FDOT) will close the fishing pier located under the Roosevelt Bridge to replace the handrails along the pier, which are in poor condition.

Work is expected to last approximately 60 days and during this maintenance period, the pier will be closed to all pedestrians and traffic. However, during this time, the east/west crosswalk for pedestrian traffic will remain open.

For any questions regarding this project, please contact FDOT at 772-465-7396 or 1-800-300-8236.
