**September 13, 2017**

## **Post-Hurricane Irma Debris Management**

**Stuart, FL** – The City will begin removing hurricane generated yard debris on Thursday, September 14, 2017. Debris hauling of this material will start in Debris Control Zones 2, 3 & 4. Please refer to the [Irma Debris Control Map](#) which can be found on the City of Stuart "[Hot Topics](#)" web page.

In order to expedite this clean-up effort please do your part by placing all vegetative materials at the curb. City officials request that residents do not mix the vegetative materials with roofing materials, household debris, carpet, metal, buckets, cans, Styrofoam and any other item will contaminate the vegetation and may be considered hazardous waste. Please keep these items separated.

Vegetative work crews are accompanied by City representatives to ensure the work is conducted in an orderly manner. City crews have been picking up household garbage and debris separately, and will continue to do so.

Should you have any questions or require any additional information please contact the City Customer Service Department at 772-288-5317 or 772-288-5318.
