

CITY OF STUART JOB ANNOUNCEMENT

Human Resources
121 SW Flagler Avenue
Stuart, FL 34994
www.cityofstuart.us

The City of Stuart is a historic coastal community with a population of 16,500 and offers unique downtown shops, galleries and restaurants that add to our small town charm. Awarded “America’s Happiest Seaside Town 2016” by Coastal Living and “Most Beautiful City 2008” by America in Bloom, the City of Stuart offers a quality lifestyle for residents and visitors alike.

Water Treatment Plant Operator 1 (Public Works – Water Treatment Team)

Hiring Range: \$16.43 - \$20.41 per hour

FLSA Status: Non-Exempt

Announcement Date January 12, 2018

Closing Date: Open Until Filled

In addition to a satisfying work environment where employees are respected and valued for their contributions, the City of Stuart offers an attractive benefits package and award-winning wellness program. We offer two (2) medical and dental plans, supplemental insurance, deferred compensation, retirement benefits through the Florida Retirement System, and more to all full time and part time eligible employees. We offer paid time off and paid holidays. The City pays up to 90% of employee medical insurance premiums for full time employees.

Characteristics of the Class

Under the general direction of the Team Leader II, is responsible for the operation of the Water Treatment Plant. Duties include ensuring the proper operation of the plant. Responsibilities consist of the delivery of safe drinking water that meets quality standards at the Federal and State regulatory agencies and of the Utilities Division to residential and commercial users in the service area.

Illustrative Duties (the following are highlights; a detailed job description is available in Human Resources)

- Performs chemical tests and laboratory analysis of water to ensure quality; also performs lab equipment calibration and the mixing and feeding of treatment chemicals.
- Maintains water reservoir levels, system pressure; industrial equipment; charts, meters and physical plant security.
- Operates emergency power generators, electrical switchgears, and various industrial equipment.

WATER TREATMENT PLANT OPERATOR 1 – Page 2

- Prepares reports and logs regarding the quality of water for regulatory agencies and city records; records equipment malfunctions.
- Performs general housekeeping duties and yard work as required.

Minimum Qualifications and Education/Licenses and Certifications

High School Diploma or equivalent; supplemented by two (2) years' experience in a related field or any equivalent combination of training and experience.

Must possess the State of Florida Department of Environmental Protection (FDEP) Drinking Water "C" Treatment Plant Operator License.

Must possess a valid Florida driver license.

Essential Physical Skills and Environmental Conditions

Task involves the regular, and at times sustained, performance of heavier physical tasks such as walking over rough or uneven surfaces, bending, reaching, stooping, working in confined spaces, and lifting or carrying moderately heavy (25-50 pound) items and occasionally very heavy (100+ pound) items; or may involve the complex operation of gasoline, electric, or diesel-powered machinery or shop equipment requiring the manipulation of multiple controls, fine adjustments or both; or the sustained operation, on a production basis, with associated equipment..

A City of Stuart Application for Employment can be obtained through our website (www.cityofstuart.us) or by visiting the Human Resources. Department Applications for employment must be sent or hand-delivered to the Human Resources Department.

The City of Stuart is a tobacco-free workplace. All applicants must attest that they have not used tobacco products for the preceding 3-month period from the date of application. Candidates chosen for positions with the City of Stuart must undergo pre-employment screening to include verification of their non-use of tobacco products in order to be considered for employment.
