

## **Press Release**

April 16, 2019

Access to some City of Stuart information systems is currently limited as a result of a virus that was discovered on April 13, 2019. The City is actively investigating the incident and we are working to bring all affected systems back online.

City emergency services including 911 remain unaffected. Bill payment services are still available via check or credit card; or an online payment may be made by visiting [www.cityofstuart.us](http://www.cityofstuart.us) for more information. Any late payments resulting from this outage will be waived.

Please note that during our recovery process email is also unavailable. For any questions or additional assistance, please call us at 772-288-5312. We apologize for any inconvenience and appreciate your patience as we work through this incident.
