MURAL MATCHING GRANT PROGRAM GUIDELINES AND APPLICATION

MISSION

The objective of the program is to use murals as a catalyst for redefining our area as a destination for arts and culture. Public art is an essential component to community revitalization. Art strengthens communities, drives tourism, and fosters an environment of creativity and innovation. Through this community revitalization effort, we aim to engage the creative sector to drive economic development in Downtown Stuart.

PROGRAM DESCRIPTION

The applicants are eligible to receive financial assistance, in the form of a 50/50 funds match, not to exceed \$3,000, for new mural artwork that are adjacent to the public right-of-way or surface parking lots, or visible from the public right-of way.

Murals that are funded by the Mural Matching Grant Program may be placed on public buildings and facilities within the Community Redevelopment Area. With the appropriate contractual agreements, the City may also fund murals which are placed on private property limited to non-residential and mixed-use buildings or structures within the Urban Code District, East Stuart Code District and "The Creek" Arts & Entertainment District located within the Community Redevelopment Area (See attached Mural Project Area Map).

Murals are considered temporary works of art. Murals funded by the Mural Matching Grant Program shall be maintained for a minimum of 5 years and shall be the responsibility of the applicant and/or artist. An agreement, which will clarify terms and conditions of the commitments including maintenance, must be signed by the property owner and the artist. This ensures that murals will continue to look as their artists and designers intended, and it also ensures opportunities for new murals and mural artists that reflect the changing perspectives and styles of the community.

A mural may not use letters, words, numerals, figures, emblems, logos or any parts or combinations thereof to advertise goods, services or merchandise. Commercial signs are permitted through the City's Development Department.

ELIGIBILITY AND APPLICATION REQUIREMENTS

Anyone can propose a mural project including property owners, artists, organizations, neighborhood associations, and government agencies. Ideas for murals will be accepted from anyone, provided it complies with a Minor Conditional Use application review process, public art work criteria and public notice requirements in accordance with Section 3.01.08 and Section 11.02.00 of the City's Land Development Code, which shall be processed in conjunction with this grant application. Issuance of a Minor Conditional Use Approval shall be granted by the City's Community Redevelopment Board.

For a Planned Unit Development (PUD), a minor amendment process for PUDs shall apply and the proposed mural shall be consistent with the terms and conditions of the development agreement. Approval shall be granted by the City's Community Redevelopment Board and the City Commission. The Mural Matching Grant Program application shall be processed simultaneously with a Minor Conditional Use application approval process. Projects will be considered on a case-by-case basis, and any grant is contingent upon the approval by the Community Redevelopment Board. Approved projects will require a grant agreement, which will clarify terms and conditions of the commitments between the CRA and the applicant. The number of mural projects funded by the City will depend on the funding availability.

HOW THE MATCH WORKS

The City shall provide funding for no more than 50% of the total cost of the project, not to exceed \$3,000. Grant awards shall only be used for costs related to the mural project specified in the proposal. Grant awards shall be inclusive of artist's fees and related expense for design, supplies, insurance, transportation, installations, minor conditional use application fees/permits and public notification.

The applicant shall match the City grant through direct financial contributions, material donations (e.g. equipment, paint or other supplies) and/or volunteer time. The value of volunteer time is updated annually based on the State's wage calculation. Contact the CRA Administrator if you intend to use volunteer hours as part of your match.
